Books for All

Colin McElwee
worldreader.org
• My test of a good book is dreading to begin the last chapter. *Thomas Helm*
A world of books
History of the Book
Video
Why Books fail to arrive in developing countries
Mobile coverage is increasing enormously
Digital cost of content tending to zero
Books, nothing more than books
Why not leave it to the market?
An approach to development
The benefits reach many
Why not let them participate?
Books For All
